### Food Allergens & Intolerances

We prepare and serve food with all 14 major allergens. Although we take every care in preparing your meal, regular kitchen operations and those across our suppliers may involve some shared cooking and preparation areas. Although we do our best, for these reasons we cannot guarantee that any menu item will be completely free of allergens. Please let your server know if you have a specific allergy or would like more information about our dishes. Menu descriptions may not list every individual ingredient and ingredients can occasionally be substituted or changed at short notice.

Please note our cooking oil is produced from genetically modified soya, anti foaming agent e900
